CONSIDERING HARRIS'S CASE

Recorder Smyth Will Not Sit in Court Till He Decides.

Incomplete Affidavits for the Condemned Man Have been Perfected.

Recorder Smyth is not sitting in General Street. Brooklyn A large number of Spiritualists from all over the country that Judge Martine would occupy his place to Judge Martine in order that he may devote himself to a careful examination of the remarkably contradictory affidavits, submitted by Mr. Bowe and the District-Atterney on the motion for a new morning. District-Attorney on the motion for a new morning trial for Carlyle W. Harris, convicted a year sgo of wife-poisoning, and who seeks a new trial on the ground of the discovery of evi-dence that helen Potts-Harris, the victim, was an habitual user of morphine.

isaac R. Ripinski, sent by the Court to Feansylvania to obtain the necessary county Clerks certificates of the authenticity of the notarial seals and signatures on the affidavits of Harrie's witnesses, obtained by his mother in that state has returned with the papers, and they are the the hands of the

Accorder.

District-Attorney Nicoli said to-day that he
should oppose the admission of the attitasti

A Anna Wadurli, number schoolmate of
ficien lotts, produced last Tuesday by Mr.

Mr. Nicoll said that if he let Mr. Howe put in affidavits as long as he desired he might prolong the Hightien to the end of time. The decision of the Recorder will probably not te announced before next week. Recorder smyth said to an "Evening Vorid " reporter on the subject of the Harris

appeal;
"it is a very serious matter and demands the most careful consideration and the exercise of conscience. It will require time, and I shall devote myself to the matter, seeking i shall devote myself to the matter, scening all the light i may obtain.

Regarding the amdavits of Miss Waddell and William F. Howe, attached to the bill of drugs sold by Siger & Co. to Van Mater, the Asbury Park Gruggist. In 1810, offered to discredit Van Aaier's testimony, the Re-

corder said:
"I know the District-Attorney opposes their admission, but I cannot tell whether I saul or shall not admit them until I have examined all the papers submitted to me. A human life is a taske and the cuts of justice must be served. I cannot act too cautiously."

Maggie, Widow of Explorer Kane, Is Dead in Brooklyn.

Interesting Ceremonies to Be Observed at Her Funeral To-Morrow.

The death of Mrs. Margaret Fox Kane. the last of the celebrated Fox sisters, spiritualistic mediums, was announced this morning. She passed away yester-day in the little brown-stone house, 492 The Story Told to Inspector Will-State street, Brooklyn

Mrs. Kane's death was caused by gastritis, the outcome of an attack of the grip, from which she suffered three years ago.

She was the widow of Dr. Elisha Kent Kane, the famous Arctic explorer.

The funeral will occur to-morrow evening at Bradbury Hall, 290 Fulton street. Brooklyn A large number of Spiritualists from all over the country are expected to be present. The services will be under the auspices of Mrs. M. A. Giridley, a well-known medium; Walter Haweil, of England, and Mrs. Neilie Brigham, of New York, forming a committee of the Weman's Progressive Union. The ceremonies will be beside the grave of Kate Fox, another of the grave of Kate Fox, another of the famous trio, in Greenwood, Saturday.

FOX HOMESTEAD NEAR HYDESVILLE. reporter could not learn. I'm going to tell him"—said the known. "After poor Maggle died, we and a priest's robe, a surplice, stowed ay in the bottom of her trunk.

You must not say anything more out it," interrupted Mrs. Ruggies.

You see, she said to the reporter, we knew how the robe got there, we uild tell you all about it. It may have en put there by some person, or Magemay have put it there herself, if a did, she must have had some reason r so doing."

have won an important victory over the about whom there is considerable mystery:

RUSSIA TO PROTECT HER SEALS.

To Define the Limits Where Foreign

Vessels Must Not Go.

VANCOUVER, March 9.—The Customs authorities of British Columbia have been instructed that the English Government has received a proposal from the Russian Government to establish a protective zone around the islands and coast of Russia.

Masters of sealing vessels Clearing for the North Pacific are warned to arrange for as
were taken to Ellis Island. The man had come as a second-dath passenger and the woman in the steerage. They were examined yesterday and their aminatist taken. Second-dath passenger and the woman in the steerage. They were examined yesterday and their aminatist taken. The man's name is licing riselating to case Col. Weber wants more evidence, for the testimony of the couple for the man's name is licing riselating to case they perpeating. The man's name is then price taken to Ellis Island. The man had come as a second-dath passenger and the woman in the steerage. They were examined yesterday and their aminatist taken. The man's name is then price to charge evidence, for the testimony of the couple for the man's name is then price to charge evidence, for the testimony of the couple for the man's name is then price and the woman is the steerage. They were examined yesterday and their aminatist taken. The man's name is the price and the woman is the steerage. They were examined yesterday and their aminatist taken. They were examined yesterday and their aminatis North Pacific are warned to arrange for as- is German.

MAY SUE THE INDORSERS.

With three exceptions the entire sealing feet of British Coumbia, comprising some fifty-two vessels, have left for Japanese and Russian waters. It is impossible, therefore for all to be notified of the pending negotiations between Great Britain and Russia regarding the limits within which seal is to remain undisturbed.

A Trust Company Allowed to Begin Action on a \$25,000 Note.

Justice Ingraham, of the Supreme Court, to-day granted a motion modifying the limits within which seal is to remain undisturbed.

Athletic Club at the time Andrew J. A request for the analthonal transfer of \$10,000 from Commissioner drennan's sweeplog find for the removal of show and fee was also referred to compirater Myers.

Ex-Alderman Kellier mandamused the Board to pay him for furniture furnished to the Fire Department. The mandamus was defective, because it named Commissioner dealer, has not yet collected her money. The mandamus was defective, because it named Commissioner dealer, has not yet collected her money. Execution was issued on the judgment, but the Sheriff could not find any property because of the Board, and it will not be compiled with.

Held in \$100 for Cruelty to a Rate An Italian laborer, Domingo Faicano, caught a live rat this merning and poured kerosene oil over it. He then set fire to it, and threw the blazing rodent out of the win. Stewart Locked Up on a Judgment. Freedman was appointed receiver of its names are on the note. The Cours says that the Trust Company is clearly entitled to commence the action.

A Rule Proposed for the Repub-

licans of Kings. Mr. Nathan's Alleged Plan to Coerce

Tracy. Willis et al.

publican General Committee in Kings County is preparing to get even with the Willis wing by changing the by-laws so that any member of the G. O. P. BERLIN, March 9.—Advices from East | Col. Weber has detained at kins island u ing to orders can be summarily bo Africa state that the German troops have won an important victory over the hostile natives of the Unlangwira.

young man and a young woman, immigrants, considered by a special committee, which holds frequent executive sessions. The change in the by-laws is being white soldiers and native levies. The hostile natives made a stubborn resistance, but were defeated after a severe conflict, with heavy loss.

On the German side, a sergeant named Eittel and ten of the native soldiers were killed, and Lieut. Bothmer was wounded.

The defeat has caused general construction among the hostile natives, and, it is believed, will go far towards suppressing resistance to German authority.

Ship Friesland from Antwerp. Coi. Weber condition. Although the plans are being guarded as important secrets, the fact has become known that the new by-laws will provide for the disciplining and exponent of the many member who shall commit a violation of the rules laid down by the majority faction.

The colonel had his officers watch for them, and when the Friesland got in they were taken to Ellis Island. The man had come as a second-cattin passenger and the which holds frequent executive sessions and has very nearly reached a conclusion. Although the plans are being guarded as important secrets, the fact had that they were clopers and that they were clopers will provide for the disciplining and exponent to the plans are being guarded as important secrets, the fact had the young woman had run away in love with her that he was ready to forgive all and receive her back.

The colonel had the of the natives and has very nearly reached a conclusion. Although the plans are being guarded as important secrets, the fact had the young woman had run away in love with her that he was ready to forgive and the plans are being during the plans are being during the plans are being during the fact had the young woman had run away in love with her that he was ready to forgive and the plans are being during the plans are being during the plans are being during the fact had had the order to force ex-Secretary of the Navy Tracy and soon-to-be ex-Naval Officer were taken to Ellis Island. The man had the order to force ex-Secretary of the Navy Tracy and soon-to-be ex-Naval Officer were taken to Ellis and had the order to

any member who shall commit a violation of the rules laid down by the majority faction.

This, it is understood, will be done in order to force ex-Secretary of the Navy Tracy and soon-to-be ex-Naval Officer Willis and their friends off the fence on which they have been perched since the last election, and compel them to acknowledge allegiance to the General Committee or else make the bold break to independency they have been threatening for some time.

It is understood that Mr. Nathan has had this political move in mind for some time, and that it is identical with the stempt made a month ago by W. H. N. di Cadmus to have passed a resolution by the General Committee providing for a red flag on a bull, and created such a wild tumult that the cries of "No. no." were almost drowned by such appeals as it wild tumult that the cries of "No. no." were almost drowned by such appeals as it wild tumult that the cries of "No. no." were almost drowned by such appeals as it wild tumult that the cries of "No. no." were almost drowned by such appeals as it wild tumult that the cries of "No. no." were almost drowned by such appeals as it wild tumult that the cries of "No. no." were almost drowned by such appeals as it wild tumult that the cries of "No. no." were almost drowned by such appeals as it wild tumult that the cries of "No. no." were almost drowned by such appeals as it wild tumult that the cries of "No. no." were almost drowned by such appeals as it wild tumult that the cries of "No. no." were almost drowned by such appeals as it wild tumult that the cries of "No. no." were almost drowned by such appeals as it wild tumult that the cries of "No. no." were almost drowned by such appeals as it wild tumult that the cries of "No. no." were almost drowned by such appeals as it wild tumult that the cries of "No. no." were almost drowned by such appeals as it wild the wonderful remediate to cree almost drowned by such appeals as it wild the wonderful remediate to cree almost drowned by such appeals as it wild the wonderful re

A Trust Company Allowed to Begin CONNECT HIM WITH A BREWERY.

Col. Weber Asked to Loan the Modest Sum of \$150,000. Col. Weber, Commissioner of Immigration, Athletic Club at the time Andrew J. per, of Altoons, Pa., asking the Colonel to lend bim \$150,000 to start a brewery. Carl says he is an expert brewer, and that an Englishman has proposed to him that they start a brewery with a capital of \$800,000, each to put in half. Carl says it is an excellent opportunity, and he is anxious to do it,
only he has no money, and thought probably
Col. Weber would supply it.
Some time ago stories were circulated
that the Colonel was a wealthy man, and
toos the Commissionership of immigration,
with its \$6,000 salary, just for amusement.
Carl doubtless thought, now that the Colonel
has resigned the Commissionship, he might
like to amuse himself with a brewery.
Col. Weber said yesterday that he was not
a wealthy man, but that he had been able to
juit away a few thousands for a rainy day.
